 Dan Wilhelm – 763-295-2600. Steve Orwoll – 612-889-5647. John Wetter – 612-310-3570.

Dear Potential New Member:

The Nowthen Historical Power Association looks forward to sharing the experience of the Nowthen Threshing Show with you. There is much to see and do and we hope that you will want to join and participate in the future.

The Nowthen Historical Power Association holds monthly General Membership meetings and monthly Board meetings. The schedule is as follows:

Type of Meeting	When	Time	Location
General Membership	Third Friday of Each Month. No meeting in December, January and February	7:00 p.m.	Nowthen Threshing Show Grounds
Board Meeting	Second Wednesday of Each Month (Beginning April 2016)	6:00 p.m.	Nowthen Threshing Show Grounds

NOTE: The only exceptions to the above schedule are our annual banquet which is held on the third Saturday in March. Check the NHPA hotline or the website for the exact location of each meeting. All of July meetings meet at the show grounds, and our show weekend, which is the third weekend in August has no general membership meeting.

The Nowthen Historical Power Association provides the membership a means for immediate updates. It is the NHPA Hotline (952-253-5774) which you can call to find out the upcoming dates for these meetings and other events happening with the Association. You can also leave a message if you have a question, issue, concern, etc. There is also our website at www.nowthenthreshing.com in which all information, dates and other NHPA happenings are posted. NHPA members also receive a newsletter a few times during the year. Providing NHPA with your e-mail address is also an excellent way to get additional information.

The Nowthen Historical Power Association is a working organization. The association organizes, plans, and runs the Nowthen Threshing Show each year. This takes involvement from all of our members to put on an event of this size. New members need to become involved and be willing to work to prepare for our show.

By attending our General Membership meetings, you can find out what is being planned for the show and learn where your help is needed most. If you are unable to attend our meetings, please feel free to call any of the Board members shown at the top of this letter and someone would be happy to help you identify your interests and strengths so that you may become involved in one of our committees or projects. NHPA workdays are Tuesday nights and Saturdays, starting in May. These times are set aside to gather together to work on projects and find out what other areas need help as well. Please take some time to look over the enclosed list of our committees. We encourage you to call the Chairperson(s). They would be happy to give you some details on the committee work and answer any questions that you might have.

You will receive a membership card after receipt of your membership application and dues.

If you have any questions, please feel free to call me or any of the members of the NHPA and we will be happy to help you.

Sincerely,

Mary Miller
Secretary
Nowthen Historical Power Association
Federal ID #23-7348069
